

Dear ENL Course Participant:

Your district has subscribed to the Nassau BOCES ENL Plus program which offers 34 two-hour virtual, CTLE-certified ENL and general education professional development courses.

Please note the important information below:

You must register in two places to complete these courses.

- Register in Frontline/My Learning Plan (MLP) to receive the CTLE hours.
- Register in the BUZZ Learning Management System to access/complete coursework.

Courses must be marked complete in Frontline/MLP by both Nassau BOCES and your district Frontline/MLP administrator before CTLE certificates can be downloaded. Courses will be marked complete at the beginning of each month when the following criteria are met:

- A minimum of 2 hours is spent in the course
- A minimum of 85% of all activities are completed
- A minimum of 80% is achieved on all gradable activities

All courses are housed in our BUZZ Learning Management System. Below is information to register and access courses through Buzz:

*NOTE: If you already have a BUZZ account, use that to log in and enroll in courses. If you do not have a BUZZ account, use the correct building URL below to create an account. Click in the upper right-hand corner and select create account.
